

This group is run by dads for dads who have children with special needs. We're here to offer support, advice and a friendly ear.

We are holding our first group meeting on Tuesday the 8th of January at 7pm till 9pm at the St John Ambulance headquarters in Hednesford (67 Market street Hednesford WS12 1DA).

The meeting is open to anyone to come in as either a drop in or for the full time to have a chat, meet each other and get advice.
